

Quick Guide

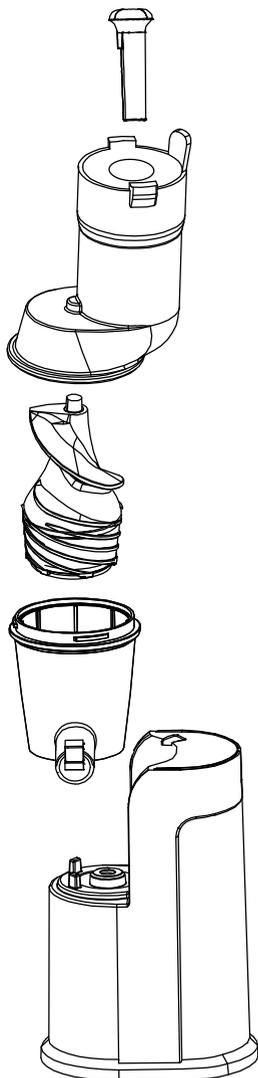

EN

Model : SYBF-CJ018

1. Assemble your device, as shown in the schema.
You can follow the assembly steps of the product on the instruction manual : Part 5.2 «Assembly»

Attention : Ensure that the «white triangle» ▼ symbol on the top cover is aligned with the «lock open» ☐ symbol on the juice bowl. Then turn the top cover clockwise to the end. The «white triangle» ▼ symbol will now be aligned with the «lock closed» 🔒 symbol on the juicer bowl. If this steps is not respected, the product will not work.

2. Wash your fruit, peel and cut if necessary
3. Insert them into the neck
4. Wait
5. Your juice is ready to be tasted !
